The most common way
people give up their power
is by thinking they don't
have any

What can I do?

- **Short and easy: Call your representatives and tell them you support:**
 - The Beginning Farmer and Rancher Opportunity Act
 - The Local FARMS Act
 - Working lands conservation programs like CSP and EQIP
- **More investment:**
 - Write a letter to your local paper about farm bill issues. We can help you with this!
 - Go to a town hall and ask your representatives to support beginning farmers, local foods, conservation, and/or other priorities in the next farm bill
- **Also: Sign up for our mailing list to keep in touch with us!**
