Do you...

Know a restaurant that might be a good partner?

Have a contact at a hospital and want to make an introduction?

Hope to grow a Carrot Gold partnership at your place of worship? Or at your office?

Wish to learn more about local food?

Dream of a CSA membership for your household? Place of worship? Or office?

Empowered by the Community

- Our overarching vision is to have Lawrence Public School children enjoy healthy foods that maximize seasonal and local products and bolster student achievement and wellness. This is a joint effort from our schools, businesses and public health leaders who have committed time, energy and resources and are actively working in collaboration to support our wellness initiatives. Thank you to the generous funders. Their support has made us where we are today.

Where should Farm 2 School efforts in Douglas County be concentrated?
